## **Brimfield and Ware Awarded Information Technology Grants**

**BOSTON – Representative Todd M. Smola (R-Warren, Ranking Member, Committee on Ways & Means)** is pleased to announce that both Brimfield and Ware will receive funding as part of Massachusetts’ Community Compact Information Technology Grant program. Brimfield has been awarded \$75,000 and Ware has been awarded \$140,175.

“I’m thrilled that Brimfield and Ware were able to secure these competitive grants,” said Representative Smola. “This is a great opportunity to modernize certain services and plan for the future.”

The Community Compact IT Grant Program is a competitive grant program focused on driving innovation and transformation at the local level via investments in technology. Grant funding supports the implementation of innovative IT projects by funding related one-time capital needs such as technology infrastructure, upgrades and/or purchases of equipment or software.
